

# SOUTHERN COLORADO PATRIOTS CLUB

## CANDIDATES SURVEY

We are all too familiar with lengthy, nebulous, say-it-both-ways-if-you-talk-long-enough, confusing political doublespeak. We also know long answers with carefully chosen words which have multiple and vague meanings are the preferred method for politicians seeking the widest voter approval.

Therefore we are asking you to answer the following simply-worded questions with a "yes" or "no". These two words are not confusing nor do they have multiple meanings. If you chose not to answer these questions then we will truly understand what type of representative you would be--you will be the same type we now already have far too many of in Colorado and in the U. S. Congress.

The Southern Colorado Patriots Club's support for your candidacy will be based on your answers or non-answers to these questions. Please do not add words. If hesitant please choose the one based on your strongest feeling. We all know there are many shades of gray, but we need to know in clear and concise answers how strongly you believe.
