

## Southern Colorado Patriots Club

The Southern Colorado Patriots Club (SCPC) is now open for general membership with headquarters located in Westcliffe, CO. The club is necessary since there is an all out assault on our liberties and freedoms. This same assault is directed at the Constitution of the United States by many in our state and federal governments. The club's purpose is to promote the ideas and provisions in the Declaration of Independence and the U.S. Constitution with particular emphasis on the 1<sup>st</sup>, 2<sup>nd</sup>, 9<sup>th</sup>, 10<sup>th</sup>, and 17<sup>th</sup> Amendments. Americans' rights to free speech, assembly and individual gun ownership are being undermined daily.

The SCPC will promote and support those organizations, politicians, and candidates that have similar genuine concerns. If interested please make your name and contact info available to [info@scpatriotsclub.com](mailto:info@scpatriotsclub.com) or visit the Contact page at [www.scpatriotsclub.com](http://www.scpatriotsclub.com). It is important to note that this organization is committed to lawful, non-violent political action. Members will participate in civic events and other forums to firmly express our dissatisfaction regarding over taxation, excessive government spending and government interference in citizens' private lives, liberties and pursuits of happiness. These inalienable rights were to be protected by the government handed to all Americans by the Founders. We have numerous concerns about our country's current state of affairs and direction that it is moving towards a complete "Nanny State". This violates both the word and the spirit of the United States Constitution. The SCPC has established the following goals:

- Fewer Federal and State Taxes/Fees
- Less Federal and State Spending
- Smaller, less intrusive Federal and State Governments
- Fewer Federal and State Regulations and Restrictions
- Fewer Federal and State Programs
- Elimination of Wealth Redistribution
- More Freedom and Liberties
- More Respect for the Constitution
- A Commitment to the Security of US Borders
- Opportunities to Succeed or Fail, Free of Government Interference
- Opportunities for Life, Liberty and the Pursuit of Happiness
- A Respect for Personal Property and the Individual Right to Bear Arms
- Fewer Arrogant, Powerful, Wealthy, and Tenured Representation in Congress

The club will tirelessly pursue these goals, among many others, by speaking with a strong and united voice. The irrational efforts by the current administration and Congress to establish a "Nanny State" must be curtailed. The Socialization and Bankrupting of our country is the goal of many currently in power. Through the efforts of the SCPC all citizens will have the opportunity to learn about the US Constitution and identify and elect representatives who understand and will respect America's founding principles. Help us restore the concept of We The People!!

We the People Must:

- Unite
- Become Active
- Keep the Patriotic Spirit Alive
- Demand Restoration of our Liberties, Freedoms & Wealth
- Take Personal Responsibility
- Elect the Candidates who Represent Us
- Seek God's favor on this Country

We are looking for like-minded Americans. Join us; encourage your family and friends to do likewise. This is an urgent call for all Citizen-Patriots 17 years and older to help protect their country and restore its greatness. We all must make some time to fight for our Rights and Representation.
