

## **Southern Colorado Patriots Club**

[www.scpatriotsclub.com](http://www.scpatriotsclub.com)

### **WHAT CAN YOU DO? HERE ARE SEVEN THINGS YOU CAN DO!**

#### **▪ JOIN US!**

Visit our Club table and give us your contact information or go on the above website and register to become a member (your privacy will be respected).

#### **▪ READ!**

Read the Declaration of Independence and the US Constitution. Please read them again and again. Free copies provided at our meetings.

#### **▪ TAKE THE PLEDGE!**

Keep the Constitution close, talk to others about it and get them to read it. Sign the pledge on the back to maintain & promote its standards of liberty & freedom.

#### **▪ ATTEND MEETINGS!**

Mark your calendar and plan to join us during our scheduled rallies and on other occasions as announced. Check the website for future meeting dates.

#### **▪ RECRUIT!**

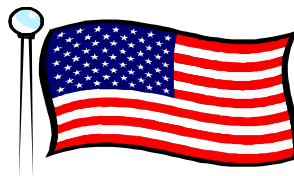

Start building your network of like-minded Patriots...encourage everyone 17 years or older in your family, in your circle of friends and among your acquaintances to join us. Help keep the Patriotic Spirit alive. Bring at least two new Patriots to each meeting.

#### **▪ SPEAK OUT!**

Contact our Representatives. If your elected representatives haven't heard from you this month; write, email and/or phone them... you have two US Senators and one member of the US House of Representatives. Don't forget the Governor and State Representatives.

#### **▪ DONATE!**

If you can spare it, leave a donation in one of our "Change You Can Really Count On" cans.

Please keep attending what we believe will be a series of club meetings, educational seminars, and spirit rallies. Your active participation will be needed for "We the People" to successfully influence our elected officials in shaping America's future in a way that would make the Founders proud and stop all the excessive government growth, control & spending.

**If not you, who? If not now, when?**

**Thank you for making the time to support this most worthwhile effort.**
